

Posti to continue early-morning newspaper delivery for Keski-suomalainen Group

29-05-2026

Under a new delivery and co-operation agreement, Posti will continue to deliver newspapers for Keski-suomalainen Group. The agreement will enter into force on 1 January 2027 and remain valid until the end of 2029.

Under this delivery and co-operation agreement, Posti will provide Keski-suomalainen Group primarily with early-morning newspaper delivery as well as the delivery and transportation services included in the agreement in the regions of South Karelia, South Savo, Kanta-Häme, Central Finland, Kymenlaakso, North Karelia, North

Savo and Päijät-Häme.

The agreement continues the long-standing co-operation between Posti and Keski-suomalainen Group, during which newspaper delivery operations have been developed together over several years.
