Masks or face coverings are now mandatory at all Canada Post facilities across the country

23-11-2020

Canada Post has implemented a mandatory mask or face covering policy at all its facilities across the country. This is a national policy which applies to all employees, visitors and customers.

Any customer entering a post office will be required to wear a mask or face covering and practice physical distancing for the duration of their visit. Signs will be posted at each location to remind customers of this requirement.

This is part of our ongoing efforts to keep employees, and the people we serve, safe during COVID-19.
