

Omniva becomes 26th member of IPC on 1 July 2022

01-07-2022

During the IPC Annual Shareholders meeting on 24 May, IPC members unanimously approved a new member to IPC. Omniva (Estonia) becomes IPC's 26th member on 1 July 2022. A key player in the Baltics region, Omniva provides domestic and international postal and logistic services, with over 80% of its revenue driven from e-commerce. Omniva has been an active player in many IPC services and has been using INTERCONNECT since its launch.
