International Post Corporation

Slovak Post: Current situation in the Middle East - transport restrictions

02-03-2026

Due to the current security situation in the Middle East, Slovak Post warns of possible delays in shipments to countries served by Qatar Airways via the transit hub in Doha.

This may affect shipments destined for the USA, Japan, United Arab Emirates, Thailand, Hong Kong, India, Indonesia, Jordan, South Korea, Nigeria, New Zealand, Philippines, Singapore and Vietnam.

We will inform the public and media about further developments without delay. Restrictions and adjustments to international mail are available on the Slovak Post website.
