Lithuanian Post to sell bicycles and cars at public auction

16-04-2026

Lithuanian Post announces that it will sell vehicles no longer used in the company's activities by public auction. The auction will begin on April 21, 2026 at 12:00 noon and will last until April 24, 2026 at 12:00 noon.

The sale of cars and bicycles will take place at an online auction at www.evgauction.eu. We invite you to follow and follow the dates of other auctions announced by the company on this website.

A detailed description of the vehicles for sale is provided in the advertisements on the auction website. Buyers wishing to participate in the auction must register using the contacts provided on the auction page.

Before participating in the competition, please familiarize yourself with the property being sold in detail, as well as independently assess possible missing parts of the property being sold, other defects, removal, sticker removal and other costs, which the Company will not compensate.

The photos of the vehicles being sold may not convey an accurate image of the property being sold, the condition may vary and may not meet expectations, therefore we suggest that you inspect and independently assess the property being sold. From the moment the contract is signed, the buyer will be obliged to remove from the property all existing external advertising related to the seller, all information related to the seller's activities and services provided - Lithuanian Post logos and name, etc.
