

bpostgroup results first quarter 2024

03-05-2024

Chris Peeters, CEO of bpostgroup: “In Belgium, the results show resilience. We recently achieved a milestone by reaching an agreement with the Flemish editors on the newspaper distribution. We are doing our utmost to do the same with the French-speaking editors soon.

While our Eurasian activities continue their growth path, our revenues in North America remain under pressure due to adverse market conditions; we take the necessary measures to mitigate this through continued focus on productivity gains.

The envisioned acquisition of Staci is an

important stepping stone in the transformation of our group. It brings our growth strategy to life and will enable us to refresh and expand our service offering, in order to appeal to a whole new B2B segment and to create new market opportunities.”
