

Whistl grows in mail, parcels and doordrop

09-05-2017

Whistl, the British delivery management company with activities in Business Mail, Doordrop Media and Parcels, has announced a number of new customer wins and contract renewals.

Whistl, the British delivery management company with activities in Business Mail, Doordrop Media and Parcels, has announced a number of new customer wins and contract renewals.

The company has renewed its contract with Specsavers which will be using all its Mail, Parcels and Doordrop services. It has also renewed a number of large, high profile

customer contracts, including a 4m item deal with BUPA; 20m items from Bourne Leisure (owner of Butlin's, Haven and Warner Hotels); 65m items with SAGA; and the fashion group JD Williams. Within the financial services sector, contracts have been agreed with Zurich Insurance and Yorkshire Building Society.
