

## bpostgroup : results third quarter 2025

05-11-2025

Full year 2025 outlook confirmed at ~180 mEUR. Quarterly performance reflects seasonal softness and anticipated Radial churn. Transformation is on track.

Group operating income at 1,029.6 mEUR, +0.4% or +4.5 mEUR compared to last year. Group adjusted EBIT at -3.0 mEUR. Group reported EBIT at -12.3 mEUR, a decrease by -10.2 mEUR compared to last year.

### BeNe Last-Mile

Total operating income at 533.6 mEUR (-1.4% or -7.6 mEUR) compared to last year. -15.9 mEUR lower Mail and Press revenues. Underlying Mail volume decline of -10.1% (-9.4% excluding Press) mitigated by +4.1% from price/mix impact (+4.7% excluding Press).

Parcels volumes increased by +2.8% and price/mix impact +0.5%.

Slightly lower operating expenses mainly driven by lower FTE's and interims offsetting salary indexations.

Reported EBIT at -10.1 mEUR and adjusted EBIT at -9.4 mEUR.

### 3PL

Total operating income at 369.4 mEUR (+1.1%) driven by Staci consolidation impact (acquired as of August 2024) and continued expansion of Active Ants and Radial Europe, offset by lower revenues (-58.2 mEUR or -24.2% excluding exchange rates) at Radial

North America due to client churn.

Higher operating expenses (+3.3%) from Staci consolidation impact and integration costs, offsetting reduced operating expenses from lower US volumes and sustained productivity gains.

Reported EBIT at -10.1 mEUR and adjusted EBIT at -1.7 mEUR.

### Global Cross-border

Total operating income at 149.7 mEUR or +8.7%, solid momentum in Asian volumes with all key destinations, including Belgium and US and growth in Canadian domestic revenues offsetting lower revenues at Landmark US from tariff impacts.

Higher operating expenses from higher volume driven transport costs.

Reported EBIT at 17.1 mEUR (11.4% margin) and adjusted EBIT at 17.2 mEUR (11.5% margin).

### Outlook 2025

Based on first three quarters' performance, bpostgroup today confirm its full-year adjusted EBIT outlook at ~180 mEUR, reflecting current expectations for 4Q25:

Preparation and readiness for peak

execution across the group

North America: Client volume capacity plans validated, hiring of >4,100 seasonal workers secured with full site coverage, peak incentives in place.

BeNe Last Mile: Beyond usual measures, additional productivity initiatives implemented, including tracking at distribution office/site level and setup of a national tool to further optimize interim and reinforcement planning.

Ongoing vigilance amid challenging market conditions, as volume development and phasing of end-of-year peak volumes in Belgium and internationally remain uncertain

Gross CAPEX expected around ~140 mEUR (vs. 180 mEUR initially) reflecting disciplined spending and phasing towards 2026.

Transformation initiatives

bpostgroup continues to accelerate its transformation to become an international logistics parcel operator, delivering tangible progress across segments.

CEO quote

"Chris Peeters, CEO of bpostgroup: "Our results align with the plan and reflect the typical seasonal softness. We're on track with the transformation plan in the three business units, and a lot of elements are put in place to speed up the pace in the following months.

All our attention goes now on the crucial year-end period. Our teams are ready to address this peak, and we are confident in a solid execution throughout the group."
