

PostNL appoints Bob van Ierland as Director of Mail in the Netherlands

12-01-2022

PostNL today announced that it has appointed Bob van Ierland Director of Mail in the Netherlands in the company's Executive Committee as from 1 February. He is already a member of the same committee as HR Director for PostNL.

Bob van Ierland has held a wide variety of operational and commercial roles at various business units within PostNL, which he joined in 2002. Bob van Ierland will succeed

Resi Becker, whose appointment as CEO of Dutch energy company Essent was previously announced.
