

Omniva will end the delivery of periodicals from Russia

07-03-2022

Omniva will end the delivery of periodicals from Russia in Estonia starting from today, 7 March.

Omniva will join the international sanctions imposed in connection with the Russian military attack on Ukraine and terminate the delivery of periodicals from Russia and the acceptance of subscriptions to those publications. Omniva will terminate the respective agreements with the mediation

companies. Omniva does not deliver Belarusian publications.

Omniva suspended Western Union transactions with Russia and Belarus from 3 March.
