

UPS boosts Malaysia exports with Ninja Van partnership

26-08-2024

Ninja Van will become an authorised seller of select UPS products in Malaysia through its retail services, thus offering new international shipping services.

Under the commercial agreement, customers will be able to buy UPS Worldwide Express and Express Saver services at any of Ninja Van Malaysia's 52 self-owned stores across Klang Valley and will also be able to find their nearest Ninja Van location via the UPS drop-off locator on

[ups.com](https://www.ups.com).

UPS Worldwide Express is a time definite service that guarantees delivery as early as 10 a.m. UPS Express Saver is a day definite service that guarantees delivery by the end of the day. Both offer delivery across Asia Pacific as soon as the next business day and to the rest of the world in as little as two business days.
