International Post Corporation

Publication of the 2020 activity report

03-08-2021

The year of 2020 was deeply affected by the health crisis and numerous operational challenges, but also by decisive achievements for the future of La Poste Group: major transformations, consolidation of the multi-business model, creation of the major public financial pole, etc.

In 80 pages, the 2020 activity report looks back on a special year for the Group: an assessment year of the 2014-2020 strategic plan and the construction of the new strategic plan: "La Poste 2030, committed for you".

In this e-accessible document, you will find key facts and figures on Le Groupe La Poste.
