

Emirates Post Group provides RTA services through post offices

09-05-2017

As part of a strategic partnership with Roads and Transport Authority (RTA), Emirates Post Group is providing various RTA services to customers through all post offices in the country, including purchasing parking cards, payment of RTA traffic fines through a direct electronic link, and sale of Nol cards (only in Dubai post offices) which enable commuters to use multi-modal transport of RTA.

As part of a strategic partnership with Roads and Transport Authority (RTA), Emirates Post Group is providing various RTA services to customers through all post offices in the country, including purchasing parking cards, payment of RTA traffic fines through a direct electronic link, and sale of Nol cards (only in Dubai post offices) which enable commuters to use multi-modal transport of RTA. Emirates Post Group also offers Dubai parking cards at all outlets in denominations of AED 30, AED 50 and AED 100.

Acting Chief Commercial Officer of Emirates Post Group, Mr. Obaid Al Qatami, said: "We

are pleased to strengthen our partnership with the Roads and Transport Authority by offering customers RTA's multiple services and products through our post offices. We are also very happy to support the shift toward public transport by offering Nol Cards to customers through our extensive postal network."

He hailed the success of RTA's integrated public transport system that has encouraged more and more people in Dubai to use public transport, which is a great achievement for the RTA, he added.
